NOTICE FOR CURBSIDE RECYCLING SERVICE

The City of Adrian will be offering the next term for the bi-weekly collection of curbside recycling. This service will be available as a subscription service for all eligible city residents. The cost will be \$31.80 for the period from July 1, 2015 through June 30, 2016. Payments must be made in full in advance. It should be noted that this cost of subscription services is based on maintaining a minimum of 500 subscribers.

Service for current subscribers will end on June 30, 2015 if a new subscription and payment is not received by the date listed below.

You may choose to bag your recyclables, however, they must be placed in **CLEAR BAGS** only. You have the option to order a 96 gallon tote on wheels, supplied by Stevens Disposal & Recycling. All recyclable material containers will be placed curbside by 7:00AM Tuesday for collection on a bi-weekly basis. All recyclable materials will be deposited in the same container, which is called "single stream" recycling. Acceptable material will include newspapers, magazines and cereal box-type paperboard; clear, green and brown glass bottles and jars, plastics #1 through #7, aluminum and steel cans; brown and white corrugated cardboard.

Each housing unit and apartment building of 4 units or less may subscribe to this service. As an example, if all 4 tenants in an apartment building desire the service, there will be 4 subscriptions and 4 containers provided. Commercial businesses, group homes, etc. are not eligible per City Ordinance.

Please fill out the form on the back of this form and include your payment of \$31.80 for 12 months of this service. Your payment will be returned if there are less than 500 subscribers. Please make your check payable to "City of Adrian" and return it to the City Hall at 135 E. Maumee Street, Adrian, MI 49221. This form and payment must be returned **no later than June 22, 2015** for the contractor to deliver totes to new subscribers. **If you are a new subscriber and would like a tote, you must contact Stevens to make payment and arrangements to get a tote delivered. The tote will have a \$20.00 non-refundable delivery fee.** After June 22, 2015 new subscribers can still receive service by contacting the City for details at (517) 264-4829.

New subscribers will begin receiving service on July 7, 2015 for the south route (south of Maumee) and July 14, 2015 for the north route (north of Maumee).
