REGULAR AGENDA

ORDINANCE

1. Ord. 10-003. Second reading and adoption of an Ordinance to amend the Zoning/Development Regulations, Article VII, Section 8.2 (5-8) – RM-1 Low Rise Multiple Family Residential District; Article IX, Section 9.2 (5-8) – RM-2 High Rise Multiple Family Residential District; and Article XIIA, Sections 12A.03 (10-12) – R-0 Residential Office District.

On motion by Commissioner Steele, seconded by Commissioner Carrico, motion carried by a unanimous vote.

Planning Commission Chairman, Mike Jacobitz, clarified the only change regarding the distance shelters can be from existing shelters or residential districts is that such shelters cannot abut a single-family residential district.

SPECIAL ORDER

1. SO-1. Public Hearing to hear and consider comments to the approval of an application for an Industrial Facilities Exemption Certificate from Evergreen Grease Service, Inc., 1445 Enterprise Drive, for a 12 year period.

RESOLUTION

RESOLUTION R10-035

RE: COMMUNITY DEVELOPMENT – IFT Exemption Certificate – Evergreen Grease Service, Inc.

WHEREAS, pursuant to 1974 PA 198, MCLA Sec. 207.551 et. Seq., after a duly notice Public Hearing held on the 1st day of March, 2010, this Commission, by resolution, established Adrian Industrial Development District No. 39; and

WHEREAS, an application has been filed by Evergreen Grease Service, Inc. for an Industrial Facilities Exemption Certificate for the facility located in the Adrian Industrial Development District #39, and was received by the Adrian City Clerk on the 2nd day of March, 2010; and

WHEREAS, the Adrian City Clerk, pursuant to 1974 PA 198, Section 5 (2) did notify the Adrian City Assessor and the legislative body of each taxing unit which levies ad valorem taxes on the property located within said Adrian Industrial Development District #39 that the application for an Industrial Facilities Exemption Certificate by Evergreen Grease Service, Inc. would be considered at a meeting of the Adrian City Commission on Monday, April 05, 2010 and that an opportunity to be heard would be provided to the Assessor and to a representative of each of the bodies so notified.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. That the Adrian City Commission finds:

   (a) That the purchase and installation of the equipment had not occurred earlier than twelve (12) months before March 02, 2010 the date of acceptance of the application of the Industrial Facilities Exemption Certificate;

   (b) That the application relates to a purchase and equipment installation program which, when completed, will be situated within Adrian Industrial Development District #39, established March 1, 2010 by resolution of the Adrian City Commission.

   (c) That completion of the equipment installation is calculated to, and will at the time of issuance of the certificate, have the reasonable likelihood to create and retain employment in the City of Adrian.

   (d) That the aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Adrian, after granting this certificate, will not exceed five (5) percent of an amount equal to the sum of SEV of the City plus the SEV of personal real property thus exempted. The Adrian City Commission specifically finds that the granting of the exemption applied for will not substantially impede the operation of or impair the financial soundness of any local government.

2. That the application of Evergreen Grease Service, Inc. for an Industrial Facilities Exemption Certificate with regard to the facility located in

Adrian Industrial Development District No. 39, be and is hereby approved for a period of twelve (12) years.

On motion by Commissioner Steele, seconded by Commissioner Clegg, this resolution was adopted by a unanimous vote.

WHEREAS, the City Administrator has presented a list of delinquent water and sanitary sewer charges in the amount of $33,164.36,which have remained unpaid for a period of six months or more as of December 1, 2009; and

WHEREAS, it is necessary that due notice be given to the owners of the premises before the Commission can certify it to the Assessor.

NOW, THEREFORE, BE IT RESOLVED that the City Clerk is hereby directed to give notice to the owners of the premises having delinquent water and sewer charges as of December 1, 2009.

On motion by Commissioner Steele, seconded by Commissioner Warren, this resolution was adopted by a unanimous vote.

RESOLUTION R10-038

RE: DOWNTOWN DEVELOPMENT AUTHORITY – Location of Farmer's Market

WHEREAS, the location for the Adrian Farmers' Market must be determined for the 2010 season; and

WHEREAS, the Adrian Downtown Development Authority Board of Directors has recommended that the location of the market be moved to an on-street setting on Main and Maumee Streets in the downtown area; and

WHEREAS, the Adrian City Commission has considered the recommendation of the DDA Board and preferences of the vendors.

NOW, THEREFORE, IT IS HEREBY RESOLVED that the location of the Adrian Farmers' Market:

1) Remain at the Church Street parking lot;

2) Be relocated to an on-street market on Main and Maumee Streets in the downtown area; or

3) Be relocated into the N. Toledo Street parking lot

Commissioner Steele motioned to approve location at the Church Street lot, seconded by Commissioner Osborne, motion died for lack of support.

On motion by Commissioner Steele to relocate the Adrian Farmers' Market to the N. Toledo Street parking lot, with the Farmer's Market to reimburse the City of Adrian for direct and indirect costs, seconded by Commissioner Osborne, motion carried by a unanimous vote.

RESOLUTION R10-043

RE: FINANCE DEPARTMENT – Resolution in Support of the Final Report of the Legislative Commission on Statutory Mandates

WHEREAS, the electorate of the State of Michigan passed an amendment to the State's Constitution in November, 1978 to fund mandates imposed on local units of government (often referred to as the "Headlee Constitutional Tax Limitation Amendment"); and

WHEREAS, the Headlee Amendment (Article IX, Section 29) states:

"The state is hereby prohibited from reducing the state financial proportion of the necessary costs of any existing activity or service required of units of local government by state law. A new activity or service or an increase in the level of any activity or service beyond that required by existing law shall not be required by the legislature or any state agency of units of local government, unless a state appropriation is made and disbursed to pay the unit of local government for any necessary increased costs..."

WHEREAS, the Headlee Amendment became effective on December 23, 1978 and has been generally ignored by the executive and legislative branches of government over the past thirty (30) years; and

WHEREAS, in response to concerns raised by local units of government, the State Legislature established the Legislative Commission on Statutory Mandates (LCSM) through P.A. 98 of 2007, as amended by P.A. 356 of 2008, and assigned the LCSM to identify mandates and the related cost of the mandates to local units of government, along with recommendations to resolve the unfunded mandates; and

WHEREAS, the LCSM worked with the Citizens Research Council and local units of government associations, including:

- Michigan Association of Counties
- Michigan Municipal League
- Michigan Township Association
- Michigan School Business Officials and Michigan Association of School Administrators
- Michigan Community College Association
- County Road Association of Michigan

WHEREAS, the LCSM issued a report in June 2009 entitled, "Interim Report of the Legislative Commission on Statutory Mandates" that indicated, among other

matters, that the State had failed to enact legislation enabling the Headlee Amendment and has not complied with the Headlee Amendment since its adoption in 1978; and

WHEREAS, the LCSM completed its report in December 2009 entitled, "Final Report of the Legislative Commission on Statutory Mandates" that reaffirms the Interim Report results and provides recommendations, including, but not limited to:

- Drafted legislation and court rules that would mitigate unfunded mandates imposed on local units of government in the future;
- Proposed procedures that will prevent new unfunded mandates from being imposed on local units of government;
- Proposed procedures that would be corrective should unfunded mandates be imposed that include, among other requirements:
  - A submission of an action before the Court of Appeals to be heard by a special master in order to rule on whether the matter is a mandate and if the mandate is unfunded;
  - Require the Court of Appeals to rule on the above within six months of the filing;
  - Should the Court of Appeals not rule on the above within six months, the local unit of government would have no obligation to continue to provide the services until such time as the State complies with the Headlee Amendment.

WHEREAS, the Finance Director and the City Administrator recommend adoption of this resolution and distribution to the Governor, legislators and Supreme Court.

NOW, THEREFORE, BE IT RESOLVED that the Adrian City Commission supports the findings and recommendations to the interim and final reports of the Legislative Commission on Statutory Mandates and encourages the Governor, legislature and Supreme Court to adopt and enact the recommendations cited in the final report.

BE IT, FURTHER, RESOLVED that the Adrian City Commission approves the release of this resolution to be distributed to the Governor, legislators and Supreme Court.

On motion by Commissioner Steele, seconded by Commissioner Warren, this resolution was adopted by a unanimous vote.

RESOLUTION R10-044

RE: DEPARTMENT OF PARKS & RECREATION – Authorization to Purchase Chemicals for Bohn Pool

WHEREAS, the City Purchasing Officer, on Tuesday March 23, 2010, received sealed bids on behalf of the Department of Parks & Recreation for the purchase of chlorine briquettes and muriatic acid to be used at Bohn Pool; and

WHEREAS nine (9) vendors were invited to bid, with five (5) responding as follows:

Company	Location	Amount Chlorine–per lb.	Amount Muriatic Acid-per gal.
B & B Pools	Livonia, MI	$1.90	$4.50
Leslie Poolmart, Inc.	Phoenix, AZ	No Bid	$4.29
Northwest Pools, Inc.	Toledo, OH	$1.88	$4.35
JCI Jones Chemicals	Riverview, MI	No Bid	No Bid
Bel-Aqua Pool Supply	New Rochelle, NY	No Bid	No Bid

WHEREAS, as explained in the accompanying cover memo, the Parks & Recreation Director recommends engagement of the B&B Pools, Livonia, MI at an estimated cost of $9,500 for chlorine and $540 for muriatic Acid; and

WHEREAS, the Finance Director indicates that funding for this purchase is available in the General Fund – Recreation Division (Account #101-691.00-741.061) Aquatic Supplies; and

WHEREAS, the City Administrator recommends approval of this resolution, since the total cost amounts to $10,040, which is $1,520 less than last year.

NOW, THEREFORE, BE IT RESOLVED that the Adrian City Commission by this resolution hereby authorizes the purchase of the aforementioned chemical supplies from B&B Pools, Livonia, MI at a total estimated cost of $10,040.

On motion by Commissioner Osborne, seconded by Commissioner Warren, this resolution was adopted by a unanimous vote.

RESOLUTION R10-045

RE: DEPARTMENT OF PUBLIC WORKS – Acceptance of American Recovery and Reinvestment Act (ARRA) Grant Funds to Repave McKenzie Street from W. Maumee Street to Maple Avenue

WHEREAS, the City of Adrian has requested and been awarded $250,000 in federal stimulus monies (American Recovery and Reinvestment Act of 2009) to repave McKenzie Street from W. Maumee Street to Maple Avenue, including milling, resurfacing and miscellaneous curb replacement; and

WHEREAS, the City Commission, by Resolution #R09-171 dated October 5, 2009, previously authorized engagement of Associated Engineers and Surveyors, (AES) Inc., Adrian, MI to perform necessary pre-construction design services on the subject project; and

WHEREAS, the Finance Director indicates that the total cost of the project, excluding engineering which has already been funded, amounts to $251,900, with $250,000 derived from the ARRA Grant and $1,900 of local matching funds which are available in the Major Street Fund Contingency Account (202-990.00-990.000); and

WHEREAS, the City Administrator and City Engineer recommend approval of this resolution accepting the ARRA Grant award for the McKenzie Street Project, appropriation of additional $1,900 from the Major Street Contingency Account to

provide the required local match, approval of appropriate amendments to the FY2009-10 Budget, and authorizing the City Administrator and City Engineer to execute the Michigan Department of Transportation (MDOT) Grant Contract (Contract No. 10-5188; Job No. 108623, Project ARRA 1046-008).

NOW, THEREFORE, BE IT RESOLVED that the Adrian City Commission by this resolution hereby accepts the ARRA Grant award for the McKenzie Street Project, which involves repaving McKenzie Street from W. Maumee Street to Maple Avenue, including milling, resurfacing and miscellaneous curb replacement.

BE IT, FURTHER, RESOLVED that the City Administrator and City Engineer are authorized to sign the Michigan Department of Transportation (MDOT) Grant Contract (Contract No. 10-5188; Job No. 108623, Project ARRA 1046-008).

BE IT, FURTHER, RESOLVED that $1,900 be appropriated from the Major Street Contingency Account (202-9900.00-990.000) for grant match and that the FY2009-10 Budget be amended as follows:

Major Street Fund (202)

RESOLUTION R10-046

RE: POLICE DEPT. – Traffic Control Order 09-39

WHEREAS, the City Administrator has approved certain temporary control orders and, after review, has now made recommendation that they be made permanent, therefore, so be it

RESOLVED, that the permanent traffic control orders adopted October 6, 1958 be amended to include or change the following:

Remove the "STOP" signs on Michigan Street at Dennis Street. Add "Cross Traffic Does Not Stop" signs under the existing "STOP" sign on both sides of Dennis.

On motion by Commissioner Osborne, seconded by Commissioner Steele, this resolution was DENIED by a 3-3-0 vote.

AYES: Mayor McDowell, Commissioners Osborne and Steele
NAYS: Commissioners Warren, Carrico and Clegg
ABSTAINED: None

Prior to voting on Resolution R10-046, Commissioner Carrico explained that the removal of the STOP signs caused safety concerns in the neighborhood. The City Administrator and City Engineer explained that they were taken down when research showed that traffic volume at the Michigan/Dennis Street intersection was not enough to warrant the signs.

RESOLUTION R10-047

RE: FINANCE DEPARTMENT – Purchasing Office – Bid Recommendation for Uniforms for Technical, Professional, Office Workers Association of Michigan (TPOAM)

WHEREAS, the City of Adrian Purchasing Office solicited and received bids on Tuesday, March 23, 2010 for the purchase of work uniforms for members of the Technical, Professional, Office Workers Association of Michigan (TPOAM) union; and

WHEREAS, four (4) firms responded with the bid results attached; and

WHEREAS, the Purchasing Officer and City Administrator recommend that the purchase be split between two (2) vendors, each with the low bids for the items specified as follows:

Mugs n' More, Adrian, MI	Chamios Shirts and Knit Shirts, Hip & Waist Length Jackets
Coyne Textile, Toledo, OH	All Other Items; and

WHEREAS, the Finance Director indicates that sufficient funds are available in the FY2009-10 Operating Budget for this purpose in the appropriate sub-accounts for the individual activities.

NOW, THEREFORE, BE IT RESOLVED that the Adrian City Commission by this resolution hereby accepts the respective low bids and authorizes the Purchasing Office to purchase work uniforms for members of the Technical, Professional, Office Workers Association of Michigan (TPOAM) union, as follows:

Mugs n' More, Adrian, MI	Chamios Shirts and Knit Shirts, Hip & Waist Length Jackets
Coyne Textile, Toledo, OH	All Other Items

On motion by Commissioner Warren, seconded by Commissioner Steele, this resolution was adopted by a unanimous vote.

Prior to voting on Resolution R10-047, Commissioner Warren said he felt that Mugs n' More should also be awarded the bid for the hip length and waist length jackets under the Local Preference Policy.

PUBLIC COMMENTS

1. Allen Kern, 1249 Vine St., asked if they would be redoing the curbs on N. McKenzie Street.

2. Kirk Valentine, Valentine Construction, asked that the Commission keep several topics in mind during budget talks - - getting certain

"park" parcels back on the tax roll; look into what city and non-city residents pay for Parks & Recreation activities, and removing the 1 mill from the tax roll for trash collection so that the business owners are not paying for what they are not getting.

COMMISSION COMMENTS

1. Commissioner Osborne felt that since the Commission went against staff's recommendations regarding Resolution R10-046 (STOP sign at Dennis & Michigan) that, for consistency, the Police Chief and City Engineer should look at intersections in other areas to determine if stop signs are needed.

Commissioner Steele made a motion to go into closed session to discuss labor negotiations, seconded by Commissioner Osborne, motion carried by a unanimous vote.

The next regular meeting of the Adrian City Commission will be held on Monday, April 19, 2010, at 7:00 p.m. in the Commission Chambers Building located at 159 E. Maumee St., Adrian, MI 49221.

PROCLAMATIONS

PROCLAMATION

WHEREAS, the insurance agency of E. J. Christmas, bearing the name of its owner, was established in 1910; and

WHEREAS, following the death of Mr. Christmas in 1959, his wife Margaret operated the agency, along with Evelyn Diffenbaugh; and

WHEREAS, Tom Bird (Bird Insurance Agency) joined the company in 1975 and purchased the agency in 1978; and

WHEREAS, another insurance company, the Lenawee Agency, was founded in 1961 by Al Johnson, Harold Strayer and Ray Clapper; joined by Jim Malarney in 1971 and Jack Dilyard in 1985; and

WHEREAS, in 1991, the Lenawee Agency merged with the Bird Insurance Agency to form the Lenawee-Christmas Insurance Center, Inc; and

WHEREAS, the current owners, Tim Bays and Craig Dilyard, proudly carry on the 100-year old tradition of providing insurance that is the best coverage and value available to meet their customer's individual needs.

NOW, THEREFORE, I, Gary E. McDowell, on behalf of the Adrian City Commission, do hereby extend our congratulations to Lenawee-Christmas Insurance Center, Inc. on the celebration of their ***100th Anniversary.*** Your success is a testament to the superior service given to each of your clients, and we wish you continued prosperity in the coming years.

I, hereby, place my hand and seal this

RECOGNITIONS

Memo

To: Dane C. Nelson, City Administrator

From: Mark K. Gasche, Parks and Recreation Director

Date: April 15, 2010

Subj: Recognition of Liz Arnold as MRPA Youth Council Advisor of the Year

The Michigan Recreation and Park Association recently held its annual Youth Symposium; a leadership training workshop for members of Youth Councils sponsored by local municipalities around the state of Michigan. During the symposium the group recognized selected individuals and youth councils for their work during the past year. Our own Liz Arnold was recognized as the Youth Council Advisor of the Year, which is awarded to an advisor who has shown outstanding leadership and direction for their local youth council.

Liz was nominated by the Adrian Mayor's Youth Council for this award. Some of the highlights from her award nomination include her work as a presenter and facilitator to over 900 teenagers at the LISD Constitution Day, her planning and leadership for hosting the statewide 2009 Youth Symposium in Adrian, her work in planning and directing the recently held first ever Taste of HOPE event which was very successful in raising funds for the Hope Center, and her collaboration with our county 4-H agent in teaching and assisting our youth about parliamentary procedure.

Liz's was recognized for her over-all work with the Mayor's Youth Council, which she does voluntarily above her duties as a Recreation Program Supervisor with the City of Adrian, and for being a valuable mentor to the teens. Mayor Gary McDowell stated in the nomination that "this young woman is truly a gift to the City of Adrian, MRPA, and especially every youth that is lucky enough to be mentored by her."

We are proud of Liz's efforts and we celebrate with her in recognition of her work with the Adrian Mayor's Youth Council.

During the past 18 months, the current Adrian Mayor's Youth Council (MYC) advisor has truly taken our organization under her wing and given it an extraordinary lift. Liz Arnold played an important role as a presenter and facilitator to over 900 teenagers at our local ISD on Constitution Day. She presented ways in which students could have their voices heard on a local level.

Liz brought her energy and expertise to the 2009 Youth Symposium, teaching our youth how to organize an event. Her knowledge of how to do it came from her day job experience, which is as Recreation Program Supervisor for the City of Adrian. Working on the symposium had a profound impact on her and she volunteered to become MYC Advisor this year. She was able to immediately bond with the MYC members and they all love her. She has proven that having respect for youthful opinions and ideas and being a good listener is the best way to win trust and motivate youth into action.

Liz Arnold devotes many hours of her time to MYC activities, but it is important to note that she does it as a VOLUNTEER and on her own personal time. The position is above and beyond her job responsibilities. It is a joy to see her youthful energy balanced with her maturity. Teens respect her advice while finding her fun to work with. She knows how to listen, prod and mentor.

Liz was key this year to overseeing our major project, *The Taste of HOPE*. This project raised over $6000.00 for an agency (Hope Center), which provides recreational and instructional opportunities for citizens with mental and physical challenges. The scope of this project was far reaching as it touched hundreds of lives. It was created as a fundraiser, but turned into much more including:

- Bringing (13) restaurants together in one place
- Bringing (29) individual and business sponsors together
- Touching the lives of the Hope clients
- Every MYC member worked on the project;
- Over 200 citizens from the community attended the event
- Provided an opportunity for the Hope clients and MYC to work together

Liz guided the teens through this challenging project from start to finish. What she has taught our teens will pay them dividends for the rest of their lives. And, she also collaborated with our county 4-H agent for assistance in teaching our youth about parliamentary procedure.

This young woman is truly a gift to the City of Adrian, MRPA and especially every youth that is lucky enough to be mentored by her.

From: Mark K. Gasche, Parks and Recreation Director

Date: April 15, 2010

Subj: Recognition of Mayor Gary McDowell as MRPA Local Elected Official of the Year

At the Michigan Recreation and Park Association 2010 Annual Conference and Trade Show awards were presented to individuals being recognized for their contributions to the field of parks and recreation and their support of MRPA. Adrian's Mayor Gary McDowell was nominated and selected from a very competitive field of candidates for the Local Elected Official of the Year Award. This award is presented to an elected local official who has exhibited exceptional support and been instrumental in making significant contributions towards enhancing the quality of life through the promotion of parks and recreation. Mayor McDowell was nominated by city staff for this award.

His nomination form highlighted his work in the City of Adrian's application to host the 2009 MRPA Youth Symposium and, once Adrian was selected as the host site, his significant role in planning, fundraising, and delivery of the event. His involvement led to new features that were well received and carried forward for future youth symposiums.

Mayor McDowell, as President of the Michigan Association of Mayors, was also involved in the planning of the 2009 MAM Summer Workshop, which focused on the importance of parks, recreation, arts and culture to local economies.

Gary has always believed in the importance and value of parks and recreation for local communities, which he has demonstrated through his support of programs, facilities, and services provided by the City of Adrian. He truly believes and recognizes the sense of community that parks and recreation brings to our community. We appreciate Gary's support and leadership and applaud his statewide recognition with this award.

Attention Mayor Gary E. McDowell

Dear Mayor McDowell,

The Cutler Dickerson Company would like to thank Mayor Gary McDowell and The Adrian City Commission, for the presentation of the Proclamation in recognition of our *100th Anniversary.*

We are proud of our company, and of its past and present employees, and of the contributions the employees and the company have made to the City of Adrian and Lenawee County.

We are also thankful to the City and it's commissioners in their relaxed consideration of doing city business with the smaller independent businesses when purchasing their needs.

Thank you again for this recognition honoring The Cutler Dickerson's *100th Anniversary.*

Sincerely yours,

THE CUTLER DICKERSON CO.

Please find attached the Third-Quarter Financial Forecast for the City of Adrian for Fiscal Year 2009-10. As March 31, 2010, actual year-to-date General Fund revenue - $16,609,485 - exceeded expenditures - $15,867,817 by $741,668. However, this favorable variance is due to the timing of the Summer tax collection, which will be drawn down during the balance of the fiscal year, as well as an extraordinary infusion of Bond proceeds ($7,005,379) derived from issuance of Limited General Obligation Bonds related to the Downtown Government Complex project. Based on the 3rd Quarter Report, estimated General Fund expenditures - $20,771,912 - are expected to exceed forecasted revenues - $19,101,953 - by ($1,669,959).

The aforementioned unfavorability is primarily due to the following reasons:

- Bond Proceeds, net of Misc Issuance Costs	$ 7,005,379
- Debt Retirement on all outstanding General Obligation Debt	(4,008,777)
- Downtown Gov't Complex and P&F Maint. Facility Construction Costs	(4,062,009)
- Reduced State Revenue Sharing	(180,000)
- Bond Issuance Costs, including Insurance and Financial Advisors	(172,724)
- Lower permit revenue from Inspection Department due to market conditions	(52,000)
- Distribution of Engineering Services	(40,000)
- Reduced Investment Income due to lower interest rates in financial markets	(30,000)
- Decreased Library Penal Fines from the State of Michigan	(25,000)
- Estimated Increase Dial-A-Ride Subsidy	(16,056)
- Other Misc.Net Increased Operating Costs	(88,772)
Total	$(1,669,959)

In accordance with the Uniform Budgeting Act (Public Act 621 of 1978) for Local Units of Government, variances from budget are identified and explained in the Financial Forecast. As reflected in the Financial Forecast, expenditures through the second quarter vary in some instances with the Amended Budget. A separate communication will be forthcoming, which will include recommended mid-year budget amendments that will address significant variances. It should be noted that the foregoing shortfall was anticipated as a planned use of Fund Balance resulting from expenditures related to completion of the new Downtown Government Complex, including renovations to the Adrian Public Library.

A reconciliation of all previously authorized budget amendments, including General Fund Contingency, is presented on Page 11 of the Financial Forecast. Most notable is the previously authorized budget amendment, Resolution #R09-109 dated June 15, 2009, emanating from the Governor's Executive Order 2009-22 reducing State Revenue Sharing payments to local units of government by $41,400,000, of which $209,643 was reduced for the City of Adrian. General Fund Contingency was increased $121,615 through the following recommended actions:

- 1) Police Department – Eliminate one (1) Detective Sergeant position (No. 301-004), effective July 1, 2009 (Estimated Annual Savings – $88,615);
- 2) Fire Department – Misc. Operating Budget Reductions, including In-Service Training, Overtime and Firefighters' Turnout Gear (Estimated Annual Savings – $16,000);
- 3) Department of Public Works – Reduce Seasonal Employees working hours from 40 hrs/wk to 24 hrs/wk; don't fill current seasonal vacancy; don't fill anticipated August seasonal vacancy; if Engineering Aide position is filled with candidate from seasonal pool, don't fill resultant vacancy (Estimated Annual Savings – $17,000).

Other cost savings or revenue enhancing measures included:

- Eliminated planned acquisition of aerial-bucket truck for tree-trimming crew	$145,000
- Elimination of Capital Project to replace windows & siding on DPW Building	100,000
- Solicitation of Private Donations to fund improvements at the Library and Sr. Crtr.	68,911
- Employee Health Insurance changes effective July 1, 2009	57,814
- Elimination of planned Personal Property Audit	53,000
- Institute aggressive collection program for Personal Property Taxes	40,000
- Eliminated publishing Maple City Focus in favor of on-line newsletter	26,000
Total	$490,725

In addition, the Adrian City Commission has approved implementation of a Personal Property Tax Discovery Program and engagement of Plante & Moran, LLC, to perform an Income Tax Feasibility Study at costs of $25,313 and $20,500, respectively.

The net result of the foregoing General Fund activity, the Projected Fund Balance at the close of the FY2009-10 is provided as a supplement to the Third Quarter Financial Forecast. Beginning with the audited Fund Balance as of June 30, 2009, which was $4,613,395 or 41.4% of the FY2010-11 Recommended General Fund Operating Budget, **the Projected Fund Balance at the close of the FY2009-10 is $1,812,196, equivalent to 16.2% of the FY2010-11 Recommended General Fund Operating Budget.**

The Government Finance Officers Association recommends and the Adrian City Financial Policy, adopted October 2004, specify that the City shall maintain a minimum General Fund Balance of between fifteen (15%) percent and twenty (20%) percent in order to provide for unanticipated financial events that may adversely impact the City's Financial Plan and Operating Budget. Although the Projected Fund Balance meets this requirement, the forthcoming FY2010-11 Budget must be balanced without resorting to use of any Prior Year Revenue for continued compliance with this important financial policy.

In addition to the General Fund, all other Governmental (Special Revenue, Debt Service, and Capital Projects Funds) and Proprietary (Enterprise Funds, e.g., Water and Sewer Funds) have been included in the Financial Forecast. Generally, these funds are on track with the budget as amended, with the following exceptions:

1) The Major Street Fund ($80,000) is experiencing lower Gas & Weight Tax revenue due to reduced state collections;
2) Fee Estate revenue is predicated upon reimbursement of eligible expenses, which are less than budgeted amounts.
3) The Community Development Fund should be satisfactory for the balance of this fiscal year, however, Lenawee County has decided to move administration of the Community Development Block Grant (CDBG) from the City of Adrian to the Community Action Agency beginning July 1, 2010, reducing resources to cover administrative expenses by $54,000;
4) The Economic Development Fund experienced an unexpected infusion of MDEQ Site Assessment Grant Fund in the amount of $97,693, resulting in projected favorable balance at year end;
5) The DDA-TIF Fund is encumbered by catch-up audits by the State Department of Treasury, which result in two years of required school reimbursement of captured taxes not used for debt retirement, causing a projected drawdown on fund balance amounting to an estimated $150,773.
6) The Local Development Finance Authority (LDFA) sold a parcel of property in the Industrial Park, generating additional revenue amounting to $45,600, which will be utilized to enhance economic development efforts;
7) The FY2009-10 Budget for the Auto Parking Fund contemplated sale of bonds/notes ($2,635,000) to refurbish the Downtown Parking System, however, this project has been postponed to FY2011-12;
8) The Transportation Fund (Dial-A-Ride) is projected to require an increased General Fund Subsidy amounting to $16,056 for a total subsidy of $114,454.
9) The Sewer and Water Funds are both reflecting lower revenue from user fees due to the downturn in the economy, however, expenses are being managed accordingly, with no advrse impact on services or ability to pay debt service. The Water fund was able to sell the Williams' property, generating net revenue of $298,632.

The newly created Motor Vehicle Pool is undergoing a normal evolutionary process. In order to provide consistency of application of user rates, we have determined to use state approved rates for all vehicles and equipment, thereby ensuring full reimbursement of costs by the State when billing the Major Street Fund for work done on State highways, as well as from other State grant funds. Although these rates may prove to be higher than necessary, adjustments will be made at year-end and for the FY2010-11 Budget.

Future Considerations:

In today's uncertain credit market, there is a legitimate concern regarding the custodial risk associated with over-concentration of cash balances and investments in a few financial institutions. To mitigate the custodial risk, the City's funds are held by a diverse group of financial institutions. The following is a summary of the City's $9+ million portfolio as of February 28, 2010 and the balances in each bank or investment pool:

Institution	Amount
Huntington Bank	$ 3,619,513
United Bank & Trust	1,861,565
Key Bank	474,186
First Federal Bank	1,003,567
Multi-Bank Securities	1,377,899
MBIA-Class Pool	672,889
Total	$ 9,009,619

Effective October 3, 2008, the Federal Deposit Insurance Corporation (FDIC) increased the insured balances in each financial institution from $100,000 to $250,000. In addition, each of the investments in Multi-Bank Securities is held by a separately insured banking institution. In other words, the total insured portion of the aforementioned amount is $2,627,899, equivalent to 30% percent.

This is a common problem for any municipality that has significant funds invested in a limited number of financial institutions. As a result, the Michigan legislature has passed Public Act 308 of 2008 (Copy attached), effective December 18, 2008, that allows local municipalities to participate in the Federal Reserve CDARS® Program, which would allow banks to exchange funds thereby providing access up to $50 million of FDIC coverage using one bank. The City Finance Department will be discussing with each of its financial institutions the details of participating in this new program, intended to minimize the custodial risks attendant with its investment program. From: Jeffrey C. Pardee, Finance Director

Re: FY2010-11 BUDGET AND GENERAL APPROPRIATIONS ACT – NOTICE OF PUBLIC HEARING

The Adrian City Charter, as well as Michigan Public Act 5 of 1982, requires that a Public Hearing be held prior to the adoption of the proposed Budget and General Appropriations Act and that a notice of such hearing be published in a newspaper of general circulation at least one (1) week in advance of said hearing. The Adrian City Charter provides that a budget be adopted no later than the second week of May for the ensuing fiscal year, accompanied by action authorizing a millage rate to fund said budget.

The Notice of Public Hearing shall include the date, time and place of said hearing, a summary of the entire budget, the citizen's right to present oral and written comments, and statements of where and when the proposed budget may be examined. The attached resolution has been prepared for consideration by the City Commission at their meeting of April 19, 2010.

If you have any questions or need for further information, please contact my office.

PROFESSIONAL EXPERIENCE:

November, 2007- May 2009: Director of Public Works for City of Salisbury, Maryland, a city of 28,000 citizens on the Eastern Shore of Maryland.
Responsibilities included water and sewer systems, streets and drainage, engineering, maintenance of parks, sanitation (solid waste and curb side recycling), city Marina and AZA accredited Zoo. Annual O&M budget was $30 million with a five year Capital budget exceeding $50 million. Accomplishments included long term financial plan, completion of master facility plans and reaccreditation of Zoo.

September 1999- September, 2007: Director of Utilities for City of Adrian, Michigan, a city of 22,000 citizens in southeast Michigan.
Accomplishments included discovery and development of groundwater resource, water and wastewater plant upgrades and development of a long term rate and financial plan. The water and sewer system is presently one of the City's strengths and is well managed with skilled staff and facilities in excellent condition.

June 1998- September 1999: General Manager of Utilities for Sarasota County Government; Sarasota County, Florida
Responsibility included management of a County water and sewer system serving 48,000 customers in Sarasota County unincorporated areas. Accomplishments include leading through a major organization restructuring, response to a severe drought condition and organizing capital program.

January 1996- June 1998: General Manager for Hardin County Water District No. 2; Elizabethtown, Kentucky
Responsibility included management of a water system serving 10,000 customers in rural, suburban, commercial and industrial areas. Accomplishments included implementation of previously completed organizational review, organization of long term capital program, development of new organization headquarters and reinvigorating management team after lengthy period of interim leadership.

February 1994-January 1996: Director of Utilities for City of Sunrise Florida
Responsibility included management of a municipal water and sewer system serving 33,000 customers in Sunrise, Davie and unincorporated areas. Accomplishments include organizing the capital program and reinvigorating the management team after a lengthy interim leadership period.

August 1992- February 1994: Director of Water and Wastewater Services for Worcester County: Snow Hill, Maryland
Responsibility included management of a water and sewer system serving Ocean City (sewer) and unincorporated areas of Worcester County. Accomplishments include leading through a transition from a District to a County Department and developing a new budget process.

July 1989- August 1992: Assistant Director of Water and Sewer for City of Tallahassee; Tallahassee Florida
Responsibility included serving as assistant department head for City water and sewer system serving 40,000 customers in Tallahassee. Responsibilities included budget preparation, master planning, start up of safety program, organization of development procedures and overall management of department.

April 1984- July 1989: Deputy Director of Public Works of Harford County; Bel Air Maryland
Responsibility included management of Harford County's water and sewer system serving 20,000 customers. Accomplishments included restructuring and invigorating a new management team, organizing capital program and implementation of major septic tank replacement program.

RE: Request for exclusion from SHPO Section 106 Review

Dear Ms. Tuinstra,

Inteva Products, LLC, is seeking CDBG funding from the Michigan Economic Development Corporation. We ask that the project be excluded from SHPO Section 106 review under the exclusion outlined below:

> HUD in consultation with the SHPO has determined that the following activities do not meet the definition of undertaking since they do not have the potential to cause effects on historic properties per 36 CFR § 800.3(a) or they have limited potential to affect historic properties and therefore *no historic properties will be affected* by these undertakings per 36 CFR § 800.4(d). Therefore SHPO are not required to initiate consultation with the SHPO for the following federally-funded undertakings if permanent impacts upon original interior elements or surface treatments, particularly those elements of the historic property that contribute to its historic or architectural significance, are avoided.
> **General Activities: Equipment Purchases.**

3. One or more public hearings have been held to obtain the views of citizens on the proposed application and community development and housing needs.

4. Citizens have been provided reasonable access to the proposed application and related information on community development and housing needs.

5. The applicant will provide its citizens with reasonable notice of, and opportunity to comment on, any substantial change proposed to be made in the use of funds if funds are received.

6. The applicant provided for and encouraged citizen participation, with particular emphasis on participation by persons of low and moderate income, residents of slum and blight areas and of areas in which Section 106 funds are proposed to be used, and in the case of grantees described in Section 106(a), provided for participation of residents in low and moderate income neighborhoods as defined by the local jurisdiction. Opportunities to participate must be made available by advertising in publications, which are distributed in the slum and blight areas and the low and moderate income neighborhoods.

7. The applicant provided citizens with reasonable and timely access to local meetings, information, and records relating to the applicant's proposed use of funds, as required by regulations of the Secretary, and relating to the actual use of funds under this title.

8. The applicant provided for technical assistance to groups representative of persons of low and moderate income that request such assistance in developing proposals with the level and type of assistance to be determined by the grantee.

9. The applicant provided for public hearings to obtain citizen views and to respond to proposals and questions at all stages of the community development program, including at least the development of needs, the review of proposed activities, and review of program performance, which hearings shall be held after adequate notice, at times and locations convenient to potential or actual beneficiaries, and with accommodation for the handicapped. Review of program performance shall apply to previously funded CDBG grants.

10. The applicant has identified how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of non-English speaking residents can be reasonably expected to participate. If 51% of the expected participants are non-English speaking, the hearings will be advertised in a non-English publication available to those residents. A person fluent in their language must be available to discuss the project and respond to their questions at the hearings.

EMPLOYMENT AGREEMENT

Michigan Economic Development Corporation — Community Development

The City of Adrian (hereinafter the "Grantee"), Inteva Products, LLC (hereinafter the "Employer") and SouthCentral Michigan Works Agency (hereinafter the "Michigan Works! Agency") agree to be bound by the following First Source Hiring Guidelines as required by the terms of the Grantee's Michigan CDBG Program Grant Agreement, Grant No. MSC 209120-EDME.

1. GENERAL TERMS

   A. These guidelines shall take effect when the Grantee, the Michigan Works! Agency and the Employer sign this agreement.

   B. The Grantee and Employer wish to assure continuing employment opportunities for economically disadvantaged and low and moderate-income persons in the local area.

   C. The Grantee and Employer wish to avail themselves of the employment and training services of the Michigan Works! Agency _____ in order to assure continuing employment opportunities.

   D. The Grantee and Employer wish to use the Michigan Works! Agency as a first source for: employee recruitment, screening, referral, placement services and for the development of On-the-Job Training (OJT) and customized training contracts.

   E. The Michigan Works! Agency will provide the employment and training services listed in Section I, D above according to the terms set out in these guidelines.

2. RECRUITMENT AND SCREENING

   A. The Michigan Works! Agency will recruit and screen applicants who are eligible for services under the Workforce Investment Act (WIA) according to qualifications agreed upon with the employer.

   B. The positions covered by these guidelines for which the Michigan Works! Agency will provide the services listed herein are those that: (1) are created as a result of internal promotions, terminations and expansion of Employer's work force; and (2) include those entry level positions that are not managerial, high technical, professional or supervisory and do no require more than two years of post school training.

   C. At least twenty (20) Grantee working days prior to anticipated hiring dates, the Employer will notify the Michigan Works! Agency of its need for new employees to fill positions covered by these guidelines, as defined in Section II, B.

   D. Notification required by Section II, C above shall at least include the following information: the number of employees required listed by job title, hiring dates, rates of pay, hours of work, anticipated duration of employment, and a description of the work to be performed. Complete job descriptions, including minimum qualifications stated in quantifiable and objective terms, shall be attached to these guidelines as "Attachment 1" and incorporated into them by reference when available.

   E. The employer will also notify the Michigan Works! Agency of all job vacancies that are not covered by these guidelines, i.e., those positions that do not meet the criteria of Section II, B above. Notification shall include the qualifications, the rates of pay, anticipated hiring dates and the dates by which referrals are required for all available positions.

3. REFERRAL

A. The Michigan Works! Agency will refer WIA-eligible and qualified low and moderate-income applicants to the Employer in response to the notification of need for new employees described in Sections II, D and E above.

B. The Michigan Works! Agency will notify the Employer of the number of applicants available for referral no later than ten (10) working days prior to the anticipated hiring date. The Michigan Works! Agency will make every reasonable effort to refer at least one qualified applicant for each job opening.

C. In the event the Michigan Works! Agency cannot refer the total number of qualified personnel requested, the Employer will be free to fill directly the remaining positions for which no applicants have been referred.

4. TRAINING

A. The Michigan Works! Agency will in its discretion provide On-the-Job (OJT) contracts to the Employer for positions covered under these guidelines as described in Section II, B above. The terms of the OJT contracts will be negotiated by the Michigan Works! Agency and the Employer.

B. The Employer will make a good faith effort to develop a customized training program for WIA-eligible applicants upon such terms and at such costs as will be negotiated by the Michigan Works! Agency and the Employer.

5. PLACEMENT

A. The Employer will make all decisions in hiring new employees and will give first consideration in hiring to those applicants referred by the Michigan Works! Agency. The Employer is not bound to hire from among the Michigan Works! Agency referrals.

B. The Michigan Works! Agency will track the retention of employees placed under the terms of these guidelines for ninety (90) days. The Employer will cooperate in the Michigan Works! Agency (Workforce Development Board's follow-up efforts.

C. The Michigan Works! Agency will monitor the Employer's performance under these guidelines. The Employer will cooperate in the Michigan Works! Agency (Workforce Development Board's) monitoring efforts.

6. REPORTING

A. The Michigan Works! Agency will provide to the Employer and the Grantee semi-annual reports of the number of applicants referred by the Michigan Works! Agency to the Employer to date. The semi-annual reports will be due to the Employer and the Grantee at dates commencing _____ 1, 2007, and every 6 months thereafter.

B. The Grantee will provide to the Grant Administrator semi-annual reports of the number of applicants referred by the Michigan Works! Agency to the Employer to date, the number of applicants hired by the Employer to date, and the number of jobs available to or held by low and moderate-income persons to date. Such reports will be due to the Grant Administrator at a schedule identified in Grant No. MSC_____.

The Grantee, the Michigan Works! Agency, and Employer hereby consent to abide by these guidelines.

MEMORANDUM – UTILITIES DEPARTMENT

DATE: April 12, 2010

TO: Dane C. Nelson, City Administrator

FROM: Shane A. Horn, Utilities Director

SUBJECT: Public Hearing – Sanitary Sewer Improvement Project

We have been notified that we have been awarded a $750,000 grant from the Michigan Strategic Fund under the Michigan Community Development Block Grant (CDBG) Program. This award is contingent upon the completion of a Notice of Intent as well as completion of an environmental review for the project area. This project will include the replacement of the existing 15 inch sanitary sewer with approximately 2,600 feet of 24 inch sewer from Michigan Avenue to Beecher Street. The improvements will include two river crossings with inlet and outlet chambers and eight manhole structures.

I have placed a public notice in the Daily Telegram detailing the date of the public hearing for Monday April 19th, 2010 during the regular City Commission meeting. I have attached the proposed project documents that further discuss the scope of the project.

PROJECT HISTORY

The City of Adrian's River Interceptor was constructed in the late1920's. Its initial purpose was to intercept sanitary sewer flows from combined sewers in the central part of Adrian and receive sanitary flows from the newer areas of the City. The downstream end of the interceptor is at the Broad Street Pump Station (north end of Broad Street in Island Park) it proceeds upstream following the River Raisin to the upstream end of Riverside Park at Beecher Street. The upper section of the River Interceptor from Michigan Avenue to Beecher Street (Figure 2) experiences excessive surcharging and periodic sanitary sewer overflows (SSO's). An SSO is a condition whereby untreated sewage is discharged into the environment prior to reaching treatment facilities. In the City of Adrian's case the majority of our SSO's are caused by infiltration of excessive stormwater into our sewer lines during storm events.

Per Michigan Department of Natural Resources Environment (MDNE) regulatory requirements, all sanitary sewer systems are required to convey the flows resulting from wet-weather events that have a recurrence interval of 25-year 24-hour or less. Currently, SSO's in the upper section of the River Interceptor have occurred under wet-weather events that are less than the regulatory standard. The City of Adrian has contracted with Jones & Henry Engineers of Toledo, Ohio who has conducted several studies to obtain a better understanding of the factors influencing the occurrence of the SSO's. These studies included field investigations and the development of a computer model of the sanitary sewer system. Based on the results of the field investigations, and with the assistance of the sewer model, we have developed a plan to meet regulatory requirements for SSO's in the upper section of the River Interceptor from Michigan Avenue to Beecher Street. The goal is to eliminate all SSO's resulting from wet-weather events that have a recurrence interval of 25-year 24-hour or less. With the assistance of the model, we were able to determine that the sewer in the upper section of the interceptor does not have adequate hydraulic capacity to handle moderate storm events. The design capacity of the sewer in the area is 1.3 million gallons per day (mgd). Current average flow is 0.74 mgd. This implies that approximately 57% of the sewer capacity is utilized during average day flows. Typically, maximum day sewage flow is in the order of 2.0 to 2.5 times the average day flow. In addition, wet-weather flows in adequately constructed sewers are expected to be 4 to 5 times the average dry-weather flow. These factors further limit the capacity of the sewers. In essence the sewer in this upper section of the interceptor is at capacity with only average flows considered. During wet-weather events, surcharging or backing up, is excessive and SSO's can and do occur.

To determine a possible corrective measure, the sewer model was run under various scenarios to determine the length of sewer requiring improvement to eliminate the SSO's noted. The approach taken was to gradually increase the size and length of a potential replacement sewer, starting at Michigan Avenue and moving upstream with greater amounts of sewer replacement. It was not until the entire section of interceptor was replaced, from Michigan Avenue to Beecher Street that the surcharge conditions were relieved in the upper section of the River Interceptor.

Alternatives to Correct the Upper Section of the River Interceptor

Five approaches were considered as alternatives to correct the hydraulic problems in the upper section of the River Interceptor:

1. Off-line storage of peak flows. Peak flows will be diverted in the upper section of the River Interceptor to a storage basin.

2. A new replacement sewer in the upper section with adequate hydraulic capacity to convey peak flows.

3. Increase the pumping capacity at Broad Street Pump Station.

4. Eliminate identified sources of inflow/infiltration to drop peak flows to levels within the capacity of the River Interceptor.

5. Construct a parallel relief sewer or force main to convey peak flows to levels within the capacity of the River Interceptor in the upper section.

Discussion of Alternatives

An initial evaluation of the alternatives was done to determine those that could be developed further in the study.

1. Off-line storage of peak flows could be used to control the amount of peak flow passing through the upper section of the interceptor. Flows would be diverted at the upstream manhole near Beecher Street and reintroduced during periods of normal flows when capacity is available for additional flow. This alternative was eliminated due to cost and the amount of city park that this structure would utilize.

2. A replacement sewer with increased capacity could be constructed in the upper section of the interceptor. The sewer would have adequate capacity to convey peak wet-weather flows. The sewer can be designed to mitigate SSO's in this section of the sewer. The sewer model indicates such an approach will not cause additional problems in the downstream section of the interceptor. This is the selected alternative and will be discussed further.

3. Increased pumping at the Broad Street Pump Station – Increasing the pumping capacity of the Broad Street Pump Station will not alleviate the surcharging occurring in the upper section. The surcharge in the upper section, specifically in Riverside Park is the result of inadequate hydraulic capacity in the 15-inch sewer. Moving flow out of the downtown section

of the interceptor sewer at a faster rate will not address the inadequate sewer in the upper section, as flow cannot move any faster through the sections with reduced hydraulic capacity. As a secondary concern, increasing the pumping capacity at Broad Street Pump Station could require replacing one of the two force mains from Broad Street Pump Stations to the Wastewater Treatment Plant (WWTP) and increasing hydraulic capacity of the WWTP head works. This alternative is not considered a viable option.

4. Eliminate sources of inflow/infiltration (I/I) in the upper section of the interceptor. It will be necessary to locate sources of I/I in the drainage basin of the sewer in the upper section of the interceptor that contribute approximately 1.3 mgd or greater of flow to the interceptor. Based on the findings of past filed investigations and smoke testing in this area, it would be difficult to accomplish this level of flow reduction. Smoke testing in this area identified several problems, which were addressed. However, they did not reduce the excessive surcharging in the upper section of the interceptor. This alternative will not be considered further.

5. Constructing a parallel relief sewer or force main does not eliminate all present problems and can create additional problems. The relief sewer approach requires the existing sewer to remain in use. If this is done the existing upper section will need to be rehabilitated as part of this project in order to provide reliable service. If it is not, wet-weather flows from this area could actually increase. It is also difficult to efficiently operate a parallel sewer system in dry-weather conditions, which will be the prevalent mode. Low flows in one or both sewers could result in odors and corrosion issues and blockages could occur in the river crossing. This alternative will not be considered further.

WORK ACTIVITIES

Replacement Sewer with Increased Capacity

The existing undersized 15-inch sewer will be replaced with approximately 2,600 feet of 24-inch sewer from Michigan Avenue to Beecher Street (Figure 2). The sewer will include two depressed-sewer river crossings with inlet and outlet chambers and eight manhole structures. Five existing sewers will be connected to the new sewer along its length. The new sewer will be routed approximately 15 to 20 feet west of the existing interceptor. This will allow the new sewer to be constructed without disrupting flow in the existing interceptor sewer. After the new sewer is constructed, the existing tributary sewers can be connected to it. This would most likely begin at the upper end of the existing interceptor. It is not anticipated that any additional easements will be required for this sewer work.

It is also recommended to rehabilitate approximately 600 feet of 12-inch vitrified clay pipe (VCP) sewer in Riverside Park from McKenzie Street to the new sewer with cured-in-place pipe (CIPP). This replacement is based on recent video inspection of the sewer.

The last section of the 10-inch sewer along Crystal Springs Avenue will be replaced with a new 10-inch sewer from manhole D06RT205 to the connection to the new sewer (Figure 2).

COMMUNITY BENEFITS

The proposed project area borders the River Raisin and actually crosses the River in two locations. The River Raisin Watershed covers an area the size of Rhode Island, and as the river moves through the City of Adrian, Blissfield Township, and the Village of Blissfield, nearly 29,000 individuals are impacted by the river's water quality. Slightly under 60% of the residents of these three municipalities are currently classified as low or moderate income populations. It is for this reason that funding the City of Adrian's request for the Infrastructure Capacity Enhancement Project is an appropriate decision.

The River Raisin and riverfront areas serve a vital role in these communities, as several important and heavily utilized parks and recreation areas are major features of the communities. In addition, the River Raisin is also home to 84 species of fish and 216 aquatic insect species. The river also supports 21 species of freshwater mussels, making it one of the most productive mussel habitats in Michigan.

The area-wide benefit provided through these CDBG grant dollars clearly impacts a significant number of citizens of the communities. The low to moderate population of the project area is positively served by the health of the river and the riverfront areas. The City of Adrian and affected downstream communities have made significant investments in the form of maintenance and park infrastructure that is directly related to the health and vitality of the River Raisin.

Further, while the City of Adrian would be providing match dollars to complete the project, the CDBG project dollars free the city to support other activities for the low and moderate income community. In 2009 for example, the City of Adrian extended property tax reduction approval for two housing complexes, one that supports 7 chronically homeless individuals in permanent supportive housing and a second that provides 4 bedroom duplexes for 12 families. Neither project could have moved forward without the significant reduction in property taxes provided by the PILOT's (payment in lieu of taxes) granted by the City of Adrian.

The City of Adrian, like many municipalities, has an aging underground infrastructure with many areas of our sewer collection system exceeding 100 years old. The City of Adrian maintains over 85 miles of sewer collection pipes with diameters ranging from 6" to 60". The proposed project area, the River Interceptor between Beecher and Michigan Avenue, was constructed in the late 1920's.

Sanitary Sewer Overflow's (SSO's) are discharges of untreated sewage from municipal sanitary sewer systems as a result of broken pipes, equipment failure or system overload. In the proposed project area on the River Interceptor, the City of Adrian has experienced over 120 SSO's at twelve different locations in the period from 2000-present (Figure 3). These SSO's occur during wet-weather storm events that cause this area of the River Interceptor to surcharge which leads to sewage pushing up through manhole covers and onto the ground and in some cases into the nearby River Raisin. Within the last three

years we have bolted manhole covers down within the River Interceptor as a short term solution which has significantly cut down on the number of SSO's within Riverside Park. During the past eight years the City of Adrian Utilities Department has participated in the State Revolving Loan Fund (SRF) to address many issues within our sewer collection system as well as at our Wastewater Treatment Plant (WWTP). The City of Adrian has competed three projects totaling over $18.0 million dollars utilizing the SRF system. This additional debt load has resulted in rate increases of over 80% over the past five years within the sewer fund. The City of Adrian would benefit economically with a grant award to complete this needed sewer improvement and avoid another loan and subsequent rate increase to our customers.

Impacts of SSO's

The majority of the proposed project area occurs within the City of Adrian's Riverside Park. The Riverside Park facility is 27 acres is size and provides a baseball field, basketball court, three sand volleyball courts, playground, two picnic shelters, public pool, restroom facilities and fishing access to the Raisin River. Riverside Park is visited by over 35,000 visitors annually (Figure 4). During an SSO event, portions of the park are sectioned off for safety reasons until the SSO subsides.

The City of Adrian has developed standard operating procedures to be followed when an SSO occurs. This procedure includes a visual inspection, putting up a barrier around the SSO and a notification tree that includes MDNRE, local health department, local press, and downstream communities that may be impacted. The start and end time of the SSO is documented and the area is cleaned up and lime applied. If the SSO is caused by a mechanical failure, this is repaired and documented. If the SSO reaches the River Raisin, the Lenawee County Health Department will issue a no contact advisory for that section of the river. We will collect E. Coli samples at locations as designated by the health department. The health department will use these sample results to determine when to lift the no-contact advisory. The no-contact advisory negatively impacts any recreational opportunities within the project area as well as downstream communities.

The City of Adrian Utilities Department has compiled a Corrective Action Plan (CAP) as required by MDNRE to reduce extraneous wet-weather flows in the sanitary sewers and to meet the SSO Policy remedial design standard as directed by MDNRE. The proposed River Interceptor Sewer Improvement project is included in this CAP and is the largest contributor to our SSO issue. Providing funding for this sanitary sewer improvement project will eliminate our SSO's and will improve the quality of life for residents of the City of Adrian and the impacted downstream communities as well as protect the water quality of the River Raisin.

RE: City of Adrian Infrastructure Capacity Enhancement Grant Application

Dear Sir:

The City of Adrian is submitting an Infrastructure Capacity Enhancement Grant Application that would address the current Riverside Park Sanitary Sewer Interceptor, which serves all of South Main Street to Beecher, and is an undersized 15" vitrified clay pipe that is structurally deficient, resulting in Sanitary Sewer Overflows (SSOs) during storm events. This project represents a collaborative effort by the Department of Public Works, Utility Department and Community Development Department, as well as MEDC. A summary of the project costs and sources of funds follows:

	City of Adrian	CDBG	Total
Utility Line Enhancements	$ 877,425	$750,000	$1,627,425

The purpose of this communication is to identify the source of funds for City of Adrian local match to the total project cost. The $877,425 local match for Utility Line Enhancements will be derived from two accounts in the City's FY2009-10 Budget:

(497-555.00-975.127)	Utility Capital Fund - Line Renovation	$777,425
(598-445.00-975.000)	Storm Water Utility Fund – Capital Improvements	100,000
	Total	$877,425

These City funds are currently available and will be given simultaneous spending authorization by the City Commission when accepting the subject grant award, thereby amending the FY2009-10 Budget to make total project funding available for the anticipated commencement date (early September, 2010). It should be noted that the City has already demonstrated its commitment to this "shovel-ready" project by authorizing the preliminary design engineering which has been completed by Jones & Henry Engineers, Toledo, OH at a cost of $22,000.

If you have any questions or need for further information, please contact my office.

Respectfully,

Jeffrey C. Pardee, C.P.F.O.

RE: UTILITIES DEPARTMENT –Resolution Certifying Compliance with Notice of Intent and Public Hearing Requirements of the Michigan Community Development Block Grant Program for Sanitary Sewer Improvement Project

RESOLUTION

WHEREAS, the City of Adrian has submitted a grant application in the amount of $750,000 from the Michigan Strategic Fund under the Michigan Community Development Block Grant Program for the Sanitary Sewer Improvement Project; and

WHEREAS, the total cost of the proposed project amounts to $1,627,425, including local matching funds of $877,425, involving the replacement of the existing 15-inch sanitary sewer with 24-inch sanitary sewer along approximately 2,600 linear feet from Michigan Avenue to Beecher Street; and

WHEREAS, the grant award is contingent upon issuance of a Notice of Intent and Public Hearing requirement, as well as completion of an environmental review of the project area; and

WHEREAS, the environmental review is underway and will be completed shortly; and

WHEREAS, the purpose of this resolution is to provide Notice of Intent to implement the proposed sanitary sewer improvement project and certify compliance with the Public Hearing requirement, which Notice of Intent and Public Hearing, to be held on April 19, 2010 at the City Chambers at 7:00 pm, was published in a newspaper of general circulation, *The Daily Telegram*, along with a description of the project and an invitation for interested citizens to be in attendance; and

WHEREAS, this resolution, certifying the Notice of Intent, was presented and acted upon immediately following the aforementioned Public Hearing; and

WHEREAS, the City Administrator and Utilities Director recommend approval of this resolution.

NOW THEREFORE BE IT RESOLVED that the Adrian City Commission, by this resolution, hereby certifies that a Notice of Intent and Public Hearing was held on this date, April 19, 2010 at 7:00 pm at a regularly scheduled City Commission meeting in the City Chambers, 159 E. Maumee Street, Adrian, MI for purposes of considering a Sanitary Sewer Improvement Project to be jointly funded by the City of Adrian and the Michigan Community Development Block Grant Program; and

BE IT, FURTHER, RESOLVED that certified copies of this resolution be forwarded to the appropriate grantor agency.

On motion by Commissioner _____, seconded by Commissioner _____, this Resolution was adopted by a _____ vote.

PROJECT AUTHORIZATION
CITY OF ADRIAN
FY 2010 SECTION 5311 OPERATING
ARRA NONURBANIZED AREA FORMULA

This information is required by the Michigan Department of Transportation (MDOT) in order to record agreement of utilization of funds provided by the Federal Transit Administration, United States Department of Transportation and MDOT. The funds provided shall be used by the AGENCY in accordance with the above referenced Master Agreement.

Authorization Effective Date: October 1, 2009
Authorization Expiration Date: September 30, 2010
Fiscal Year of Effective Contract Clauses: 2010

The Federal Grant associated with the PROJECT AUTHORIZATION is MI-86-X002.
Grant Year: 2010 Federal Item Number: WK0051 Project is not R&D.

The Catalog of Federal Domestic Assistance Number for the Federal Transit Administration Formula Grants for Other Than Urbanized Areas Program is 20.509.

Funding reflects the amount of funds currently available under the Federal Appropriation. If additional funds become available, a grant amendment and revised project authorization will be prepared.

Payments to the AGENCY under this PROJECT AUTHORIZATION will be based on 2.5% of the budgeted estimated eligible costs, which are $11,353. Payment will be made upon execution of this project authorization. There will not be a reconciliation of these funds based on the annual operating assistance report. This payment language replaces language in Sections 14 and 27 of the Master Agreement.

In accordance with Section 7 of the Agreement, the dollar amount for third party contracts as identified in COMMISSION policy is $25,000. All agencies who are not self-certified must submit third party contracts over $25,000 to MDOT for approval. Please refer to Section 7 in the Master Agreement for competitive bidding requirements.

The AGENCY will be financially and legally responsible for the terms and conditions of the 5333(b) labor warranty as agreed to in your annual application.

The AGENCY agrees to prepare and furnish to MDOT quarterly operating assistance reports via the Public Transportation Management System (PTMS). Instructions on preparing the report are available in the "Local Public Transit Revenue and Expense Manual" (October 1, 2009, through September 30, 2010). The manual is available on the web at www.michigan.gov/mdotptd.

American Recovery and Reinvestment Act (ARRA) Provisions

Reporting
To ensure that the DEPARTMENT meets the requirements of the American Recovery and Reinvestment Act (ARRA) of 2009 each AGENCY is required to submit financial, milestone and employment information quarterly. Failure to comply with the reporting requirements under ARRA will jeopardize the DEPARTMENT'S continued receipt of ARRA funding. Accordingly, if an AGENCY fails to comply with ARRA reporting requirements, the DEPARTMENT may withhold payments until compliance is achieved. If the DEPARTMENT is compelled to incur costs because of such a breach, the amount of those costs may be deducted from payments otherwise to be made under this project authorization.

Segregation of Costs
The AGENCY shall segregate obligations and expenditures of ARRA funds from other funding. No part of funds made available under ARRA may be commingled with any other funds or used for a purpose other than that of making payments for costs allowable under the ARRA.

Timely Expenditure of Funds
The timely delivery of ARRA projects is critical. The expectation is that all funds will be obligated within a year. If funds are not obligated within two years, the DEPARTMENT may deobligate the funds. The DEPARTMENT will not approve an extension of the project authorization if funds are not obligated within two years.

Publication
The AGENCY shall include the recovery logo on all signage or other publications in connection with the activities funded by ARRA. Guidance will be provided by the DEPARTMENT.

Buy Michigan Preference
A preference shall be given to products manufactured or services offered by Michigan-based firms if all other things are equal and if consistent with federal statue.

Prohibition on Use of Funds
None of the funds made available under this contract may be used for any casino or other gambling establishment, aquarium, zoo, golf course, swimming pools or similar projects.

Funding of Programs
Programs supported with temporary federal funds made available by ARRA will not be continued with state financed appropriations once the temporary federal funds are expended.

Conflicting Requirements
Where ARRA requirements conflict with existing state requirements, ARRA requirements control.

Job Opportunity Posting Requirements
The AGENCY shall post notice of job opportunities created in connection with activities funded in whole or in part with ARRA funds in the Michigan Talent Bank, www.michworks.org/mtb.

Whistle Blower Protection for Recipients of Funds
The AGENCY shall not discharge, demote or otherwise discriminate against an employee for disclosures by the employee that the employee reasonably believes are evidence of: 1) gross mismanagement of a contract or grant relating to Covered Funds; 2) a gross waste of Covered Funds; 3) a substantial and specific danger to public health or safety related to the implementation or use of Covered Funds; 4) an abuse of authority related to implementation or use of Covered Funds; or 5) a violation of law, rule, or regulation related to an AGENCY contract (including the competition for or negotiation of a contract) or grant, awarded or issued relating to Covered Funds. In this Subsection, "Covered Funds" shall have the same meaning as set forth in Section 1553(g)(2) of Division A, Title XV of the ARRA.

a. The AGENCY must post notice of the rights and remedies available to employees under Section 1553 of Division A, Title XV of the ARRA. A poster can be found at: http://www.recovery.gov/sites/default/files/Whistleblower+Poster.pdf

b. The AGENCY shall include the substance of this clause including this paragraph (b) in all subcontracts.

Inspection of Records
The AGENCY shall permit the United States Comptroller General or his representative or the appropriate inspector general appointed under Section 3 or 8G of the Inspector General Act of 1998 or his representative to: 1) examine any records that directly pertain to, and involve transactions relating to, this contract, and 2) interview any officer or employee of the AGENCY or any of its subcontractors/subgrantees regarding the activities funded with funds appropriated or otherwise made available by the ARRA.

Integrity
The AGENCY agrees that all data it submits to the DEPARTMENT in compliance with ARRA will be accurate, objective, and of the highest integrity.

Subrecipient Requirements
The AGENCY shall include these terms, including this requirement, and applicable Contract Clauses in any of its subcontracts or subgrants in connection with projects funded in whole or part with funds available under ARRA.

Further Requirements
The AGENCY agrees to comply with applicable future Federal requirements that may be imposed on the use of ARRA funds.

MEMORANDUM

TO: Dane Nelson, City Administrator

FROM: Kristin Bauer, City Engineer

SUBJECT: Engineering Permit Fees

We have been evaluating the fees structure for permits within the City of Adrian Engineering department. It has been determined that our current fees do not cover the cost of the inspection and administration of these permits.

I have investigated the fees of some other municipalities in this region of the state and as a result I propose the changes to our permit fees to cover processing, inspection and review costs.

I am also requesting an additional fee structure to be added for jack/bore projects and directional drilling. We are starting to see more of this type of work which requires review and inspection by City Personnel.

RE: CITY ENGINEER – Authorization to Revise Fee Structure for Engineering Services

RESOLUTION

WHEREAS the City Engineer has reviewed and evaluated the fee structure for permits issued by that office; and

WHEREAS the aforementioned evaluation determined that the current fee structure does not generate sufficient revenue to cover the cost of providing necessary inspection and administrative services by the Engineering Department; and

WHEREAS a rate comparison with other southeast Michigan communities, indicates that the current rates are below those applied elsewhere and that the newly recommend rates would be competitive with the communities; and

WHEREAS the City Engineer, Finance Director and City Administrator recommend increasing the current fee structure for the Engineering Department, accordingly, and that additional fees be added for jack/bore projects and directional drilling, as detailed in the attached documents.

NOW, THEREFORE, BE IT RESOLVED that the Adrian City Commission by this resolution hereby authorizes that the implementation of the recommended revised fee structure for the Engineering Department and that additional fees be added for jack/bore projects and directional drilling, as detailed above.

BE IT, FURTHER, RESOLVED that the FY2010-11 Budget reflect the appropriate level of revenue estimates after adoption of this resolution.

SUBJECT: Janitorial Service – Police Station — Purchasing Office

TO: Dane C. Nelson — City Administrator

FROM: Cindy L Prue — Assistant Finance Director

I concur with the recommendation of the Asst. Finance Director to award the bid for janitorial services for the new Police Station to Top- to-Bottom Cleaning of Tipton, MI in the amount of $14,400.00 for year one with no increase in price in year two. This firm currently cleans the Piotter Center and has also performed janitorial services at the library. We have been pleased with their past performance.

Four firms responded to the offer to bid. There are sufficient funds to cover this expense.

Dane C. Nelson
City Administrator

Sealed bids were received until 2:00 p.m. E.D.T. on Tuesday, April 13, 2010, for janitorial services at the newly constructed Police Station. The service is to include a five day week cleaning service. The following bids were received:

ITEM	ServiceMaster Adrian MI	Perfection Serv Hudson MI	Superior One Hudson, MI	Clean Care Toledo OH	Top to Bottom Tipton, MI
Year One	$ 18,624.00 $1,552.00 mo.	$ 15,300.00 $1,275.00 mo.	$ 29,640.00 $2,470.00 mo.	$ 20,892.00 $1,741.00 mo.	**$ 14,400.00** **$1,200.00**
Year Two	$ 19,183.00 $1,598.58 mo.	$ 15,300.00 $1,275.00 mo.	$ 29,640.00 $2,470.00 mo.	$ 21,205.00 $1,767.00 mo.	**$ 14,400.00** **$1,200.00**
Hourly Rate Extra cleanings	$17.50 per hr.	$12.00 per hr.	$48.00 per hr.	$13.50 per hr.	$15.00 per hr.
Hourly Rate Special events	$17.50 per hr.	$12.00 per hr.	$48.00 per hr.	$13.50 per hr.	$15.00 per hr.
Hourly Rate Weekend work	$17.50 per hr.	$12.00 per hr.	$48.00 per hr.	$13.50 per hr.	$15.00 per hr.

I recommend the bid be awarded to Top to Bottom Cleaning of Tipton. Top to Bottom Cleaning currently has the contract for these same services at Piotter Center and they have been doing a good job. We have also used this company in the past to perform miscellaneous cleanings at the library prior to the hiring of the present cleaning company.

Sincerely,

Cindy L Prue
Assistant Finance Director

Clean Care	Toledo, OH	$20,892	$21,205
Top-to-Bottom	Tipton, MI	$14,400	$14,400

WHEREAS, the low bidder, Top-to-Bottom of Tipton, MI, is currently providing similar services to the Piotter Center and previously to the Adrian Public Library, both with satisfactory performance; and

WHEREAS, the Purchasing Officer, Police Chief and City Administrator recommend that the low bidder, Top-to-Bottom of Tipton, MI be selected and engaged in the City's Standard Professional Services Contract for a two-year period, beginning May 1, 2010, at an annual price not to exceed $14,400; and

WHEREAS, the Finance Director indicates that sufficient funds are available for this purpose in the General Fund Contingency Account (101-990.00-990.000) and that $2,400 be appropriated for the balance of this year.

NOW, THEREFORE, BE IT RESOLVED that the Adrian City Commission by this resolution hereby authorizes the selection of the low bidder and engagement of Top-to-Bottom of Tipton, MI in the City's Standard Professional Services Contract, for a two-year period beginning May 1, 2010, at an annual price not to exceed $14,400.

BE IT, FURTHER, RESOLVED that $2,400 be appropriated from General Fund Contingency Account (101-990.00-990.000) and that the FY2009-10 Budget be amended as follows:

General Fund (101)
Expenditures:

(101-990.00-990.000) General Fund Contingency	$(2,400)
(101-301.00-808.000) Police Dept. – Janitorial Services	2,400

RE: RESOLUTION OF SUPPORT FOR H.R. 4812, LOCAL JOBS FOR AMERICA ACT

RESOLUTION

WHEREAS, our nation is going through one of the most difficult times in its history with the national unemployment rate hovering around 10 percent; and

WHEREAS, despite signs of an economic recovery at the national level, economic conditions in cities and towns across the country continue to worsen with more municipal governments facing significant budget shortfalls and increased demand for services; and

WHEREAS, the City of Adrian employ 151 workers who provide critical services to our residents ranging from public safety, community and economic development, infrastructure maintenance, trash collection and waste water treatment; and

WHEREAS, the unemployment rate in the City of Adrian statistical area has risen to2 16.9%; and

WHEREAS, the City of Adrian is facing a significant budget shortfall and may have to choose between laying off employees, eliminating services to balance its budget; and

WHEREAS, such action to counter the recession's impact on the City of Adrian would contribute to an increase in the lack of fiscal stability for this community and further contribute to the nation's unemployment rate, just as the economy begins to recover; and

WHEREAS, federal aid will be necessary if the City of Adrian is to avoid public service worker layoffs, including fire and police, and other important city workers.

NOW, THEREFORE, BE IT RESOLVED that the City of Adrian endorses H.R. 4812, the Local Jobs for America Act, because it will help create one million public and private jobs in local communities this year, including in the City of Adrian.

BE IT, FURTHER, RESOLVED that the City of Adrian supports the Local Jobs for America Act because it will help ensure that our city can continue to provide services essential to families in our community; and

BE IT, FURTHER RESOLVED, that the City of Adrian supports H.R. 4812 because it would help stimulate local businesses and create more jobs in the local economy; and

BE IT, FURTHER, RESOLVED that the City of Adrian encourages Congress and the President to adopt H.R. 4812 into law immediately so that cities and towns across America can retain existing employees and provide employment opportunities in the public and private sectors.

On motion by Commissioner _____, seconded by Commissioner _____, this resolution was _____ by a _____ vote.
